Centre 47

Conference & Meeting Facilities

We can provide information in large print, Braille, other languages or audit. Please just ask!

Centre 47 is a place that provides support, personal development and training opportunities for those unemployed or on a low income.

Whilst visiting Centre 47 why not visit Impact Furniture Services? IFS has a large range of good quality, second-hand furniture and household goods all at reasonable prices. You can also donate any re-useable household items that you no longer require.

This project aims to help people acquire affordable furniture, but also benefits the environment by reusing household items that would otherwise go to landfill sites.

Centre 47 has initially been supported with grant funding. However we look to become self-sustaining. We do this through income generated from Impact Furniture Services, Café Hubbub, office rental and meeting room hire. Therefore by holding your event/meeting at Centre 47 you are contributing to the sustainability of this valuable resource.

Centre 47 has 3 suites for rental to suit all requirements. We offer:
