

go 4 it!

Young people from the Go 4 it Project were inspired and enthused after their 'meet a professional day'.

The event gave young people the opportunity to spend an afternoon chatting and questioning adults from a variety of professional backgrounds including engineers from the Nuclear Decommissioning Authority, Police Inspectors, representatives from the Fire Service and the RAF. Journalists, solicitors, restaurant owners and dance teachers.

The day was a great success and really excited the young people about the opportunities open to them and really gave them confidence about their future careers. Young people left the day with promises of work shadowing opportunities, part time work, e mail contacts to keep in touch with the professional, plans to help them meet their goals and a promise of a meal!

Young people said of the day:-

- “It was the best day ever – I feel more confident now”
- “I can now go and work shadow with a forensic scientist!”
- “Now I’ve met a solicitor I defiantly want to be one”
- “it’s really good to have someone to look up to”

Our thanks to:-

- Inspector Joe Murray
- Ricky Andalcio – Zest Whitehaven
- Alex Arthur and Jon Griffiths – Fire Service
- Michael Woolaghan – Brockbanks Solicitors
- Mark Wareing and Mon Tindale – Nuclear Decommissioning Authority
- Safria Ali – News and Star
- N Harrison – RAF
- Claire Routledge – Ferguson School of Dancing
