

PROPOSED ELECTRICAL INSPECTION PROGRAMME 2009

We are currently carrying out a programme of electrical inspections to our properties to ensure that they meet current regulations. This programme is going to run over a number of years with the oldest of our properties being inspected first.

Subject to budget constraints the following properties will be included in the external decoration programme in 2009.

Tenants living in those properties to be included will be contacted in the new year by letter.

Properties to be included during 2009 include some properties on the following streets:

Barrock Street, Carlisle
Burnside, Harrington, Workington
Charles Street, Carlisle
Gilmour Street, Maryport
Glebe Close, Keswick
Hope Street, Carlisle
