

Youthtastic get Punked 1 Feb 2010

Last Thursday evening more than 40 young people were involved in 'Punked' at the British Legion in Workington.

The event organised by YC youth group that are part of the Youthtastic project ran by Impact Housing Association. At the event young people enjoyed music, mocktails - served by special bar men - the '118 guys' and could access information supplied by Connexions DASH team.

However the main aim of the evening was to find out what other young people thought of Workington and to give them an opportunity to raise any issues that concern them - YC plan to pass this info onto their local elected members. The night was a great success, everyone had fun and lots of useful information was obtained.
