What happens next?

The Resident's Association will work on their part of the Plan, strengthening its work on the estate and its links with people who can help make Salterbeck a better place to live.

Impact Housing Association will drive the whole Plan forward working closely with others who can help.

Most importantly, you can get involved.

There are 101 ways that you can support us, from deciding what we do with the green space on the estate, to helping out with the Christmas Party.
