

# The Oval Centre Update

Part of  
**Riverside**

As you are aware Government guidance continues to change due to the ongoing pandemic, and we continue to monitor all our activities to assess when they are safe to return to ensure we protect our customers, colleagues and the wider community.

We have returned a very limited number of colleagues to our Covid compliant offices as well as having re-introduced some face to face activities with customers in their homes. Those staff that were based in the Oval Centre are either working from home or Nook Street.

You will also be aware that services are resuming and all the information can be found on our website and social media. Services have resumed around repairs, lettings, scheme walkabouts, stock investment and landscaping etc.

We have started to look at the Oval Centre with a view to preparing for the gym to re-open in October for the fit for life sessions, but the rest of the building will remain closed for the time being, particularly as Government guidance continues to change regarding social gatherings. We are however, ensuring the building remains safe, secure and maintained with colleagues attending the site to carry out various tasks.

If customers need to contact anyone at Impact they can do so on the main telephone number (03448 736290) or via the direct contacts on our website at [www.impacthousing.org.uk](http://www.impacthousing.org.uk) or follow us on @impachousing on Facebook and Twitter.

We have also provided an update on the reverse regarding the Stock Investment Programme.

We will update you with any news going forward and we look forward to seeing you all soon.

From all at Impact
